

Wawne Primary School Newsletter March 2025

Welcome to the March edition of the school newsletter. It is hard to believe that we are already in March, the year seems to be flying by in school. We are looking forward to seeing the signs of Spring soon and hopefully the warmer weather is not too far away. The children always look forward to being able to get back onto the school field to spend their break times. We now have the addition of 195 trees on the field which the children all took part in planting last half term. The children had a most enjoyable day learning about the importance of trees in our environment and hopefully this will encourage them to look after our trees as they grow so they are there for many years to come. We have lots of things happening in school over the coming weeks leading up to Easter so please take some time to read through the newsletter and make a note of the various things coming.

We would like to remind parents/carers that Class Dojo is our main form of communication so please remember to check the app regularly for updates. If you require any further information, please contact the school office.

Mrs Lawson

Physical Education

Please ensure your child has the correct PE kit in school for their lessons. All children should bring their PE kits to school on a Monday and leave them in school until Friday, when they can take it home to be washed.

Please ensure your child has suitable named PE kit for indoor and outdoor lessons. Your child will need a pair of trainers for all PE lessons. Please ensure children have tape to cover earrings if worn.

School Lunches and Toast

Please continue to book your child's lunches (including packed lunch) on EduSpot. You will also need to order and pay for their toast **before the start of each half term**. We are unable to process payments after the start of the half term.

Please ensure that you make all bookings for lunches by midnight on the Sunday before the start of the week as the system then closes down for the office to collate numbers and children's requirements for that week.

PTFA

We have a wonderful small group of parents on our PTFA that help to organise fun events for the children to help raise funds for the school. The money raised from the PTFA helps us as a school to put on events, fund activities and purchase items for the children that we would not be able to offer without their support. Our PTFA is about much more than simply fundraising though, it is an excellent way to bring staff, parents and friends together in support of our school working towards a common goal. If you are interested in getting involved, please contact either Lynsey Wilson or the school office. The PTFA welcome anyone who wishes to help in whatever form that may be. All parents, carers, friends and members of the school community are encouraged to get involved, even if you only have a small amount of time available.

Car Park

Please could we remind parents/carers that the staff car park is not to be used by parents/carers unless an agreement has been made with the school. This includes at Nursery collection time at 12pm. This is to ensure safety on the school site. Thank you for your support with this.

PTFA Movie Night

On **Wednesday 26th March** the PTFA will be holding a movie night in the school hall. This will take place straight after school at 3.30pm and end at 5.15pm. Tickets will cost £3.00 per child and are available to buy on School Money.

The film will be Moana 2 which is a PG cert so by purchasing a ticket, you will be agreeing to your child watching the film.

Nursery Provision

We are very excited to be able to announce that from after the Easter holiday, we will be offering 30 hours Nursery provision in school. Further details about this will be sent out to current parents/carers of children who currently attend our Nursery.

If you know of anyone who may be interested in attending our Nursery, please ask them to contact the school office as places are limited.

NHS MH Team Parent/Carer Workshop

On **Wednesday 5th March**, the NHS mental health support team, who are working with us in school, will be holding another workshop for parents/carers. The workshop will look at the importance of routines, boundaries and sleep to support children's social, emotional and mental health. Please do come along to this event. It is very informal and the team are extremely welcoming and friendly. I have spoken to many parents/carers over the last few weeks about the importance of setting good routines so this workshop would help support this. If you would like to come along, please contact the school office. Further information can be found on the flyer at the end of the newsletter.

World Book Day

On **Thursday 6th March** we will be taking part in activities for World Book Day. Children can come to school dressed as their favourite book character. Throughout the day, children will be taking part in various book related activities in classes and across the school. The children can bring in their favourite book to share with their friends (please make sure these are named).

We will be collecting any books in good condition that children may like to donate to school.

At 3pm we would like to invite parents/carers into school to read a book with your child or to take part in book related activities in the classroom.

Book Fair

From **Wednesday 26th - Monday 31st March**, we will be holding a Book Fair in school. This will take place in the school library from 3.15 - 3.45pm. Parents/carers are welcome to come and have a look before they collect children from school or bring the children along after school. Further information will be sent out nearer the time on Class Dojo.

Easter Service

On **Tuesday 1st April** we will be holding our Easter Service at Wawne Church. Each class will share something related to Easter/Spring. The service will start at 1.30pm in the church.

Parents, carers, family and friends are invited back to school after the service for refreshments provided by the PTFA. There will also be an opportunity for you to spend some time in the classrooms with your child.

Easter Competition

It's that time of year again- The Wawne Primary School Easter Competition! This year we would like the children to design an egg scene related to their favourite book or book character. These need to be designed and made at home and brought into school on **Wednesday 2nd April**. There will be a 1st, 2nd and 3rd prize for each class and the winners will be announced in the Friday assembly that week. This is always a fun event and it is lovely to see some of the creations the children (and parents!) come up with.
