

## Maths

Following the NCETM scheme of learning for Year 3/4. During the Autumn term, we will cover the following units:

Unit 1 — Adding and subtracting across 10.

Unit 2 — Numbers to 1,000.

Unit 3 — Manipulating the additive relationship and securing mental calculation.

Unit 4 — Column Addition and Review.

Unit 5 — Column Subtraction and Review.

Unit 6 — 2, 4 and 8 times tables.

Daily practice using the 4 operations of number. Weekly Times Tables practise. We will use TT Rockstars, Maths Shed and Good2Learn to support our learning.

## Science

Working scientifically.

States of matter- solids, liquids & gases, changing states when heating and cooling, measuring temperature in degrees Celsius (°C), evaporation and condensation in the water cycle.

## Computing

Computing systems and networks - The internet

Creating media- Audio production

Common Sense Media 3 — Healthy Habits, Privacy & Safety.

## P.E

Fundamentals of sport

Tag Rugby

Balls skills

Gymnastics with Fit4Fun

## R.E

Communities- Where is religion?

Christmas celebrations

Autumn Term 2025

Class 2- Y3/4

## Scrumdiddlyumptious
